MEMORIES

*A carousel of forethoughts
Exist in our minds;
Often they are reflections
Or experiences left behind.*

*They are thoughts that enlighten,
Inspire and remind
Of good times and best friends,
Who were then, hard to find.*

*They are our trials and tribulations
Which have subsided to the past.
The memory is lodged in our conscience thought;
There, they remain steadfast.*

*The thought of leaving these experiences abruptly
Tends to leave us momentarily aghast.
Yet their summation: our memories,
Will enable them to last.*

*With this in mind, we'll strive ahead.
New experiences will pose no pain!
For all the while, in the depths of our mind,
The memories remain.*

GRADUATION

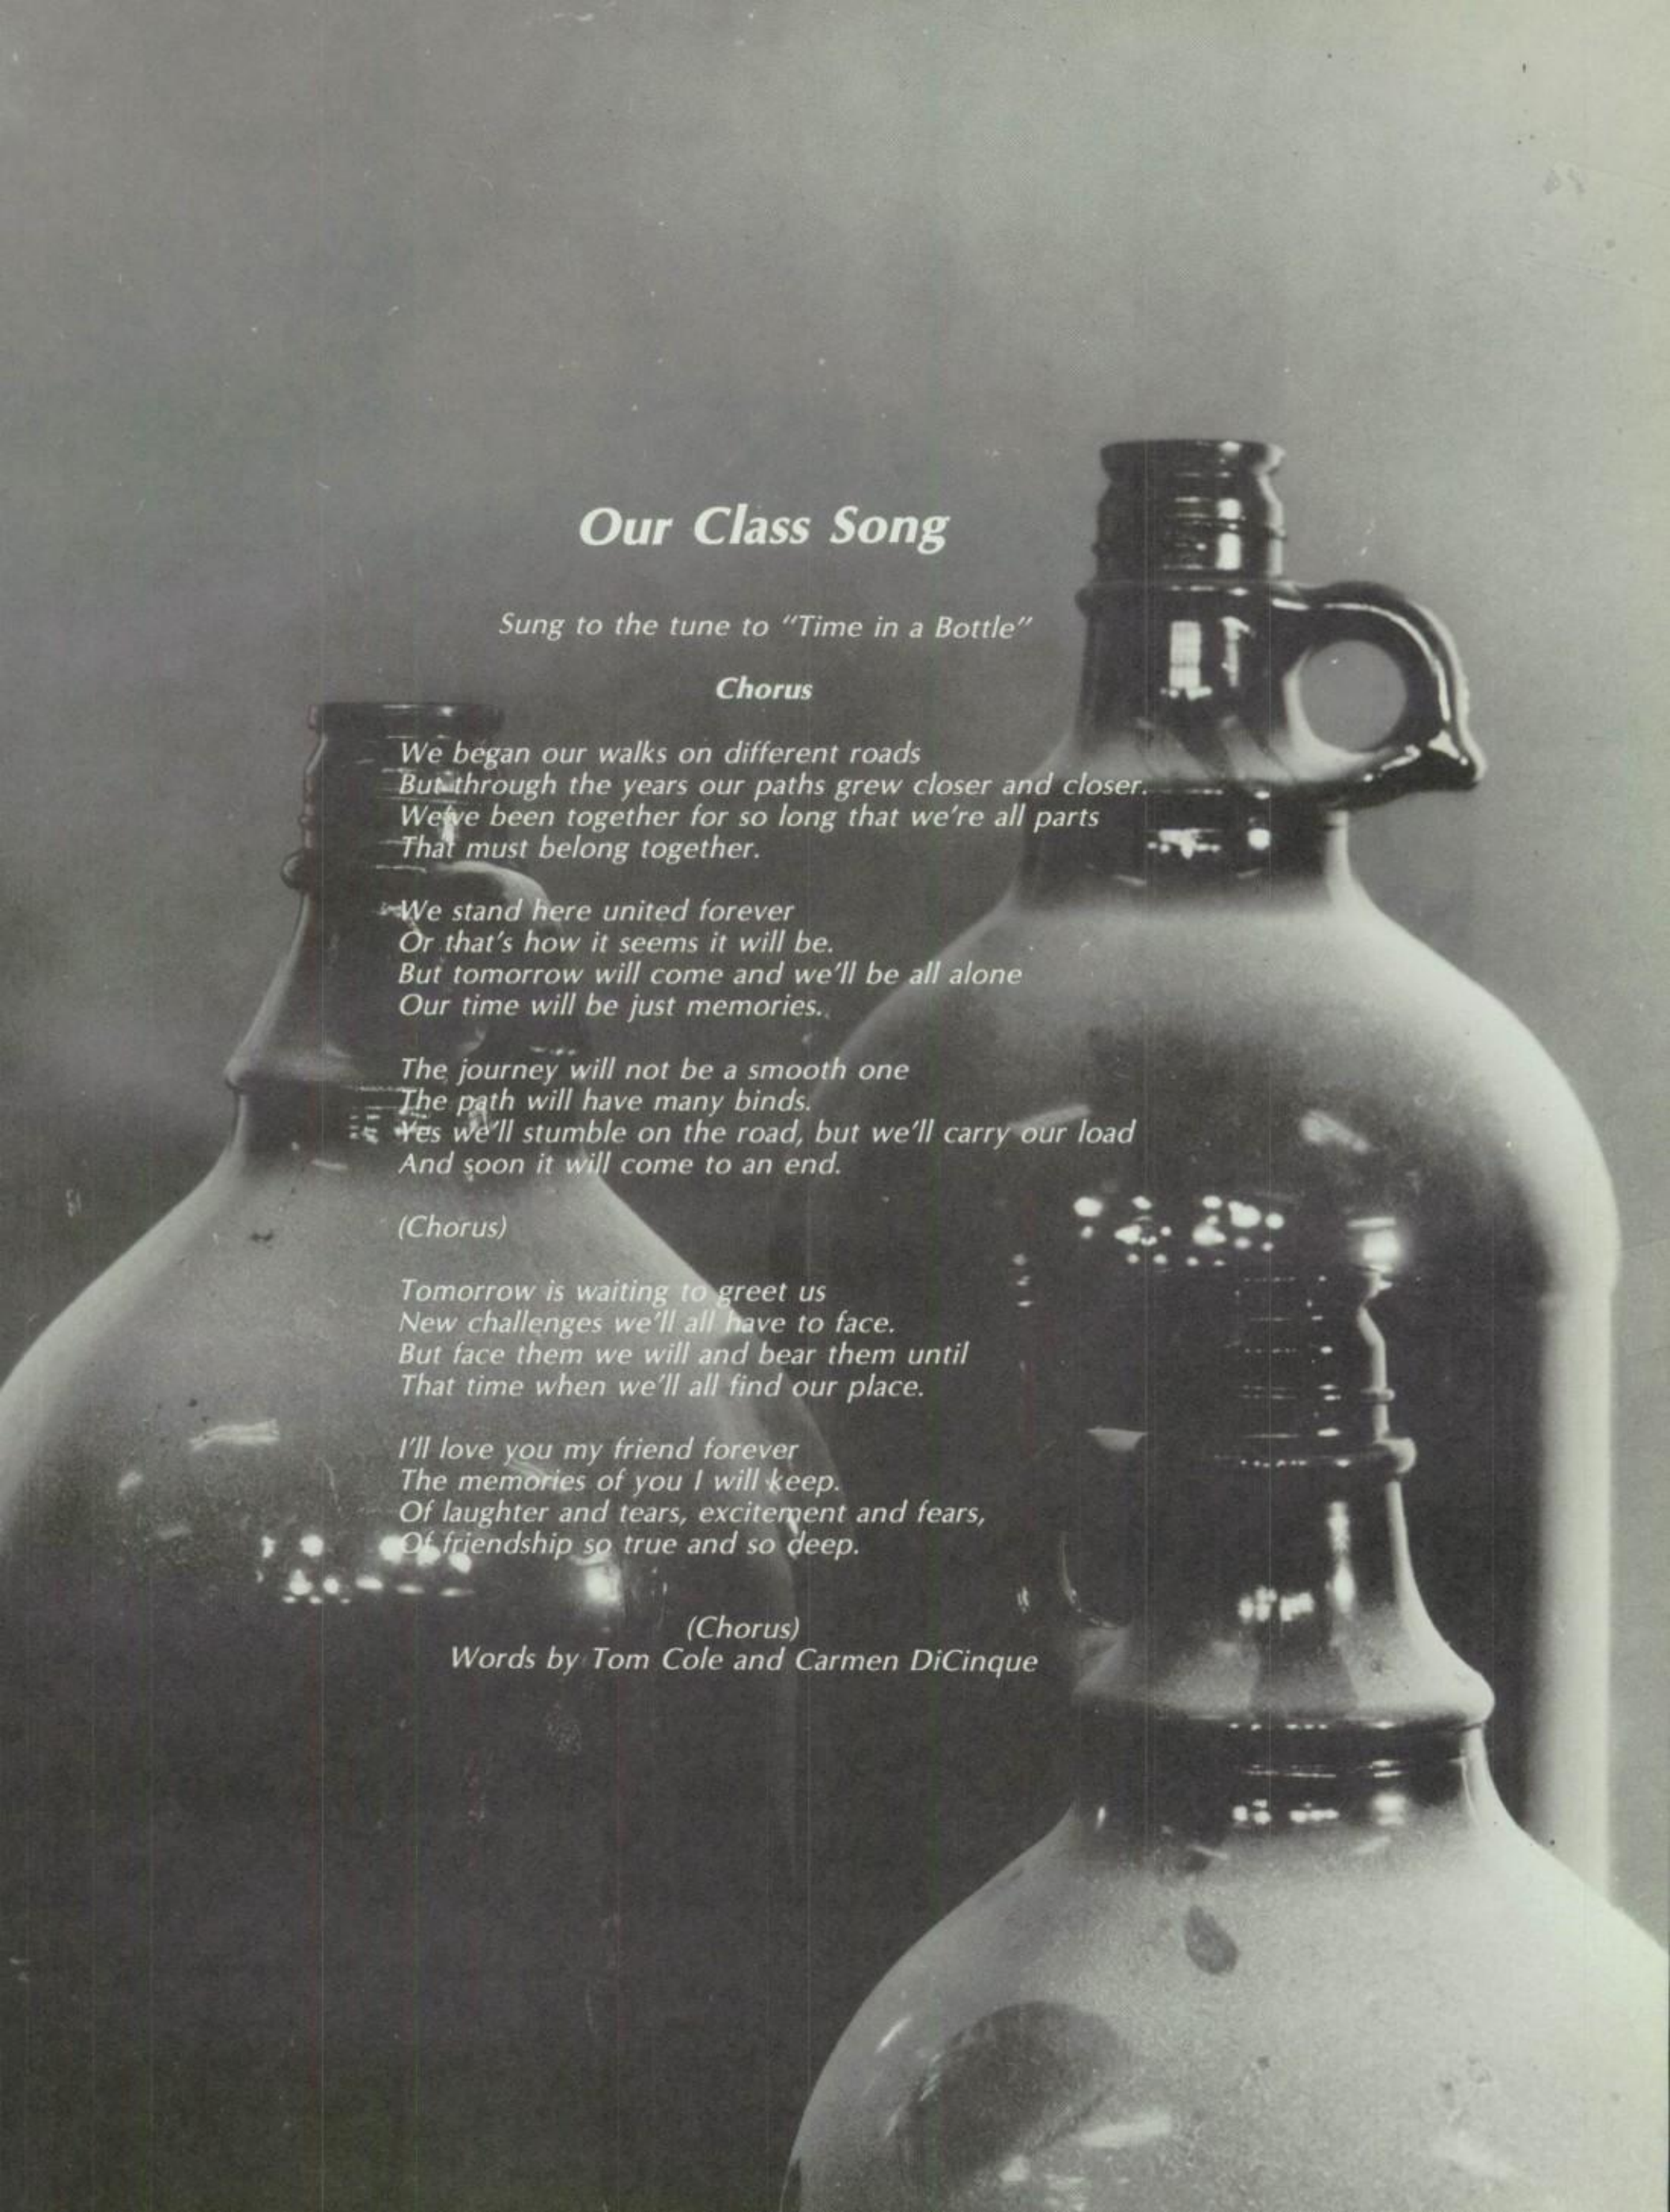

Sundae In The Park

In Memory Of John Lutcavage

*Though God has taken you away from us,
at such an early age;
We just want you to know you're a part
of us throughout each graduation stage.
So keep in your mind as well as your soul
that what we are saying is true,
And to show how important you are to us
we've dedicated our yearbook to you.*

Our Class Song

Sung to the tune to "Time in a Bottle"

Chorus

*We began our walks on different roads
But through the years our paths grew closer and closer.
We've been together for so long that we're all parts
That must belong together.*

*We stand here united forever
Or that's how it seems it will be.
But tomorrow will come and we'll be all alone
Our time will be just memories.*

*The journey will not be a smooth one
The path will have many binds.
Yes we'll stumble on the road, but we'll carry our load
And soon it will come to an end.*

(Chorus)

*Tomorrow is waiting to greet us
New challenges we'll all have to face.
But face them we will and bear them until
That time when we'll all find our place.*

*I'll love you my friend forever
The memories of you I will keep.
Of laughter and tears, excitement and fears,
Of friendship so true and so deep.*

(Chorus)

Cecilia Almqvist ***Our Swedish Import***

Hallå, på er!

My name is Cecilia Almqvist and I've been your Rotary Exchange Student from Sweden this year. I'm seventeen years old and come from Karlstad in the southern part of Sweden. I have two sisters, a brother, a "pappa" who is an architect and a "mamma" who works at a night school.

In Pennsylvania, I enjoy such sports as roller skating, running, playing tennis, swimming, and skiing.

After leaving the U.S. I will finish my last year in school (Gymnasium), and then go on to college, where I probably will major in languages.

I also would like to thank everyone - my friends and my families, for making my year here in Mt. Carmel the most memorable in my life. I'll never forget you.

MEMORIES

*A carousel of forethoughts
Exist in our minds;
Often they are reflections
Or experiences left behind.*

*They are thoughts that enlighten,
Inspire and remind
Of good times and best friends,
Who were then, hard to find.*

*They are our trials and tribulations
Which have subsided to the past.
The memory is lodged in our conscience thought;
There, they remain steadfast.*

*The thought of leaving these experiences abruptly
Tends to leave us momentarily aghast.
Yet their summation: our memories,
Will enable them to last.*

*With this in mind, we'll strive ahead.
New experiences will pose no pain!
For all the while, in the depths of our mind,
The memories remain.*
